IRRIGATION / OUTDOOR LIGHTING / SERVICE

01 / GROUND UP

01 / WHAT WE DO

OUTDOOR SYSTEMS, DONE PROPERLY.

01

Irrigation

Thoughtful systems for reliable, efficient watering.

↗

02

Outdoor lighting

Useful, well-placed light for safer and better outdoor spaces.

↗

03

Service

Straightforward troubleshooting, repair and seasonal care.

↗

02 / THE STANDARD

GROUND UP IRRIGATION

Practical.
Capable.
Approachable.

Good outdoor systems should make life easier, not create another thing to manage.

Ground Up brings experienced judgment, clear communication and careful execution to every property.

RELIABLE

EXPERIENCED
